Brand New Book ***** Print on Demand *****.Excerpt from Germanism, and the American Crusade An address I gave to the theological students of Geneva. It seemed to make much impression here, and I have thought the interpretation of America which I have made might be of use in America itself. It was given extempore, and then afterward written out from stenographic notes. I have kept the spoken form. I wish you could devise a way of getting it broadcast into the training camps. Europe - the world - human destiny for a long time - hangs in the balance. It is a terrible moment. Everything depends upon America, and there is no time to be lost.
