Brand New Book. \*Shortlisted for the prestigious Branford Boase Award\* On a frozen Cornish moor, a fourteen-year-old girl lives in a trailer with her dad and little brother. Ennor s mother left years ago, when things started to go wrong - and gradually their world has fallen apart. Now her father s gravely ill, school has closed, and Ennor knows they re going to take her brother away if things don t pick up soon. Days before Christmas, when the wind is cold and her dad s health takes a turn for the worse, Ennor packs a blanket, a map, a saucepan and a gun into her rucksack, and sets off to find her mum and bring her home. Ennor thinks she knows where she s going. But this journey will change her life for ever - it becomes a battle for survival, a heartbreaking story of love and friendship, and a fable about not finding what you were looking for, but finding something more important instead .A bone-chillingly powerful debut novel that traps you in its icy grasp then thaws you from the heart out - for readers of Meg Rosoff, Siobhan Dowd and Patrick Ness.
